With lots of exciting choices each season, direct shipping, top-quality bulbs and plants available, a 100% money-back guarantee, and 50% profit on every sale, it's easy to see how *Flower Power* has become one of America's #1 earth-friendly fundraisers! For more information: Call 1-888-854-1788, or visit www.flowerpowerfundraising.com.

Send your best fundraising ideas to cye@andrews.edu.

Fundraising Tip #7

Set Goals: How much do you need to raise? What is your time period? How will you know how much you have earned and how much you have yet to raise? How will you credit Pathfinders who show up and help all the time versus those who aren't involved very much with the fundraising? Once you determine your goals, tell EVERYONE about them!

Visit the [fundraising page](#) on the camporee website for a list of fundraising principles and creative (low-budget) fundraising ideas.

2009 Courage To Stand Camporee Archive

Do you want to hear the Courage to Stand theme song again? Do you wish you could see Wednesday's "Day in Review" video one more time? Or, did you miss one of the evening programs? We have what you need and more in the [camporee website archives](#). Listen to songs, watch videos, browse union newsletters, and look through pictures from the 2009 Courage to Stand International Camporee!

Camporee Update

The Forever Faithful International Camporee Executive Committee conducted its second meeting on October 18, 2010. Here are a few items that were voted by the committee:

- Dr. David Mayor will serve as the Camporee Medical Director. Along with him, Pam Krueger will be serving as the Camporee Assistant Medical Director.
- Each year, an overwhelming amount of Pathfinder clubs attend the Oshkosh Camporee. Due to limited space, registration will be capped at 2,000 for international registrants and 33,000 for North American registrants (excluding Day Passes & CYE Camporee Staff).

Visit the camporee website for more updates from the [Executive Advisory Committee](#).
