

June 2012

International Registration

On June 8 we opened international registration! If you have completed your form and have been approved by your Union or Conference and CYE, you will be getting an email with a link for you to go online and pay for your tickets.

If you have not completed your form or even started to register, please do so. You can register [Here](#) by creating your new myCYE account first.

Seeking "Sponsor(s)" for International Youth Leader(s)

Are you a club or conference interested in **sponsoring** an international youth leader? Your support would help equip them to better serve the youth in their country. You would be responsible for the following:

- Paying for all or part of one registration ticket.
- Paying for all or part of their airfare.
- Provide food and tent lodging onsite.
- Corresponding with the youth in the group/club they lead for a year before and after the International Camporee to share and grow together.

If you are at all interested, please contact [Glynis Bradfield](#), FFIC International Coordinator.

Please Note the Difference: Sponsoring includes assisting with travel expenses of one youth leader and corresponding with their youth group across continents. Hosting, as done in the past, means your club or conference just provides food and tent lodging at the International Camporee for a group (2 or more) of international guests. If your club or conference would like to **host** an international group, contact [Glynis Bradfield](#), FFIC International Coordinator.

Oshkosh, Wisconsin Information

What is there to do in Oshkosh, Wisconsin? You can visit the following links to gather some ideas:
