

International Activities Coordinator

Job Overview

International participants will be invited before the Camporee to bring special activities like teaching honor, organize games, photo booth, and cultural activities approved by the event.

Responsibilities and Duties

Main duties for this position include but are not limited to:

1. Coordinate all international activities that will take place at the International Village.
2. Define a place for each activity and create a calendar to distribute them throughout the week, based on agreements made before (ideally) or at the Camporee.
3. Work with the Daytime Activities Director, reporting all activities and their locations.
4. Create signage for each activity.
5. Assist activities leaders with what they need for the activity before and during the Camporee.
6. Create a video report.

Qualifications

- Love for God and Pathfinder Clubs.
- NAD member with a current background check approved by your Conference.
- Experience with Pathfinder Club practices and club activities management.
- Friendly to different cultures.
- Master English language and ideally another language.

Schedule

- 1 year BTC: Meet with the team of volunteers and receive training.
- 1 year BTC: Confirm available international groups with activities for the Camporee. Start contacting international groups that have already confirmed their attendance and invite them to participate.
- 1 year BTC: Work with the Daytime Activities Director, reporting all activities and their locations.
- At the Camporee: Complete the schedule with locations developed during the last year, and get in contact with all the participants.
