

Carmen Ayala has been involved in Club Ministry in some way, shape, or form for as long as she can remember. After graduating high school, though, she wasn't involved in a Club directly; she began working at AdventSource for several years. After graduating from Union College in December 2018, God opened doors for her to serve as the Pathfinder Admin. Assistant at Florida Conference.

In January 2022, her husband was called to return to school and pursue his MDiv. This allowed Carmen to begin working for the Center for Youth Evangelism (CYE) as Pastor Ron's Executive Assistant / Office Manager.
