

Brenda Parker Brandy

I come from a Pathfinder family. My mother and father were Pathfinder leaders and Area Coordinators for several years in the Northern California Conference. My husband and I have been NCC Area Coordinator for over 40 years.

I currently serve as the Event Coordinator for NCC. We went to the first International Camporee held in Camp Hale, CO. It has been my honor to serve as an Honor Coordinator for the 2024 BTP International Camporee. I look forward to assisting the honor instructors to make sure everyone participating has a good, learning time that they can take home and share Jesus with others.
