

As a Pathfinder in the Florida Conference, Joel Hutchins had a great interest in Drill and very quickly found himself on a Drill Team. After moving to the Northern New England Conference, He had the opportunity to become a Drill captain. After heading to college at Atlantic Union College, he continued working with Drill at the Southern New England Conference.

At the first International Camporee at Camp Hale in 1985, he spent a lot of time watching various club Drill teams. He really wanted to do more with Drill so, when the opportunity presented itself to become part of the team who organized the competitions he jumped at the opportunity.

He had the privilege of working with some of the best judges over the last 20 years and looks forward to another great Drill Team and Drum Corps competition in 2024.
