

Pastor Kevin Costello (MG) currently serves as the Treasurer, CFO of the Pennsylvania Conference. He just returned this year from 15 years of Mission Service in Asia, where he served as the Associate Executive Secretary of the Southern Asia-Pacific Division (SSD). His primary responsibility there was to send missionaries from SSD to other divisions and to care for all of the denominational missionaries and volunteers that served in SSD (about 220 total missionaries). His additional duties included SSD Human Resource Director.

Prior to serving in SSD, Pastor Kevin served the Georgia-Cumberland Conference as their Vice-President of Finance. He has also served as a conference officer for the Oklahoma and Texico Conferences as well as the Guam-Micronesia Mission.

But Pastor Kevin's passion has always been with Pathfinders. He has served as a local club director for six different clubs (Bronx, NY; Joshua, TX; Majuro, Laura, and Namu-Namu in the Marshall Islands; and Guam) and as the Pathfinder Director for the Texico Conference and Guam-Micronesia Mission. He has attended all of the International Camporees since the first one in 1985 at Camp Hale and has served as Assistant to the Camporee Director since 1999 (Discover the Power). He partners in ministry with his wife Teresa (PIA/PLA/MG) and together they have one adult daughter, Kiona, who just graduated from Weimar University.
