

Sue Nelson started her 42 years of Pathfinder Club ministries in the Rocky Mountain Conference as a teen girl's counselor in Greeley, Colorado in 1982, then became a Club Director, and was invested as Master Guide at Camp Hale, Colorado in 1985. She was later asked to start the Adventurer program for the Conference, became a Pathfinder Area Coordinator, then Pathfinder Coordinator, and now is the Club Ministries Executive Coordinator.

Sue ran the Lost and Found in Oshkosh, WI for the last couple of Camporees and will be running it again with her team, in Gillette, WY, along with the Exit Donation Trailers, for the 2024 BTP Camporee.

Sue shares, "Pathfinders from around the world come looking for their very valuable lost items, like phones, tablets, keys, and even passports. You can just imagine how upset they are and hopeful we will have their item. They are in tears when we do not, so it's always a good opportunity to pray with them. Prayer is a powerful tool in Lost and Found."
