

Pamela Krueger, MSN, RN
Camporee Medical Director Assistant

My career began at Hinsdale Hospital as an L.P.N. after completing the L.P.N. program offered. Over time, Over the next several years, I completed my ADN., BSN, and MSN.

In 1988 I moved to Wausau, WI and I found myself again working in home care for a brief period and then transitioned to neuro surgical/medical inpatient unit at Wausau Hospital Center. By coincidence, I had a chance to try out the emergency department where I had the worst shift of my life and yet fell in love with emergency medicine where I spent 20+ years. I worked bedside, supervision, and was the Director of the emergency department for 8.5 years. In 2011, I left the emergency department and joined the hospital supervision team. After a few short years, a move into management again occurred with a final transition to System Manager of the Aspirus (same hospital – different name) Hospital Medicine providers. After 45.5 years in nursing, retirement occurred on January 12, 2024.

I have been the Assistant medical director for the International Pathfinder Camporee's since 2004, working closely with the many wonderful volunteers, campers, and their sponsors.

In my personal life, I have been happily married to my amazing and supportive husband Mark for 31 years. Together we have three daughters who are each married to great men, and they have given us seven grandchildren. I am actively involved in my local Seventh-day Adventist Church (The Shepherd's House) as the School Board Chairperson, deaconess, and women's ministry.

I love children as they remind me of Jesus words in Matthew 19:14: "Let the little children come to Me, and forbid them not, for of such is the kingdom of heaven."
