

Dear Conference (Youth Ministries/Club Ministries) Director:

RE: Daily On-site Parade (DOP) – Gillette / BTP Camporee.

We are so excited to see all of your Pathfinders in Uniform for the Daily Onsite Parade coming up during the Believe the Promise Camporee in Gillette, WY, August 5-11, 2024!

I am asking each **CONFERENCE** to provide us with ONE name / ONE person that can be contacted and communicated with – the person helping you coordinate your Conference in the DOP.

This person will be the **Daily On-site Parade (DOP) Conference Coordinator** for your conference on the day your conference/union participates in the Daily Onsite Parade (DOP).

The DOP Conference Coordinator will work with you to decide on a Conference Assembly Area in your Conference where all your Pathfinder Clubs will gather / get lined up to march to the Union DOP Assembly area. They will help all Pathfinder Clubs get lined up as a Conference and make sure they are lined up alphabetically by Clubs before marching over to the Union DOP Assembly Area. They will work closely with the DOP Union Coordinator as the conferences are lined up alphabetically within their Union before the Union marches to the DOP Assembly Area.

ACTION – These are the items we need your help with:

1) Please appoint/elect one person to be your DOP Conference Coordinator. Someone your trust and skilled in organization.

2) Email Tim Blake, timblake@cbkpa.com, the DOP Communications Director, with contact info: name, best email address, best cell number for the person you have appointed as your key volunteer/helper to help you organize your conference to participate in the DOP. Please carbon copy the union on the email. **Make sure you let Tim know the Conference and Union the person is from.**

Thank you for working with Tim, timblake@cbkpa.com, to help with this. We want our union / conferences to have a great experience with this parade. The DOP Union Coordinator and DOP Conference Coordinator will be a huge help.

We will also work with a DOP International Camporee committee directly to help coordinate all details related to the Daily Onsite Parade (DOP).

Thank you for your leadership & help,

Pedro Perez and Tim Blake
