

Pathfinder Basic Staff Training Certification

AYMT

CROSS TRAINING
FOR ADULT LEADERSHIP
IN YOUTH MINISTRY

at

The Pathfinder Basic Staff Training Certification is the foundational training for Pathfinder Staff and TLT's. It is also a critical pre-requisite for Master Guide Investiture. We are offering all eight workshops at the camporee for those who have been unable to attend training at their local conference and especially for those needing to complete the training, or a portion of it to complete their Master Guide requirements and be invested on Sabbath at the camporee.

Attend all or just the ones you have not taken yet.

All workshops will be held at the Community College in the first floor of the main building, 3801 College Dr, Gillette, Room 131.
