TEXAS	Leathercraft	Leather is used throughout the Old and New Testament to share elements of the Gospel. For example, a "tunic made of skin" (code for leather) was the article of clothing God gave to fallen humanity to cover their nakedness(Genesis 3:21). Animal skins (vellum/parchment) were also used for writing the Scriptures and other important official documents like a Last Will and Testament. After Peter had a vision at the housetop of Simon the Tanner (a person who would prepare animal skins) he understood that repentance was for Jew and Gentiles (Acts 11:18). Some scholars find that the little scroll of Revelation 5 resembles a Last Will and Testament (diatheke, Hebrews 9:17), which was written on leather, contains the names of those who will receive the promised inheritance. Leather is found throughout the Bible! The Leathercraft honor is a Pathfinder honor that helps children, youth, and adults learn precious truths about the gospel and also learn a life-long craft.	1 1/2 hour class Tues 12:00, 1:30, 3:00 PM Wed - Fri 9:00, 10:30AM. 12:00, 1:30, 3:00 PM Sab 1:00, 2:30 PM	EP - 39 & 48
